

If you are most people today you are overdue for a visit to the doctors office to see how your body is doing. For most it is a very dreaded thing to go to the doctor regularly, but something that we all do for fear of having an unknown sickness and a fear of death. Statistics show that 100% of all hearts stop working sooner or later. There is nothing that anyone has ever done to keep his or her heart beating forever.

The Word of God tells us that when our hearts stop beating in this life eternity begins (Hebrews 9:27). The Great Physician will give us our final check up. On that day the judgment of the ONE TRUE HOLY GOD will be upon us all. We will be held accountable for each of our sins.

When you hear HIS voice ask "Have you ever had anything in your life that you cared more about than me for even just one second or even just one time?" Truly you will not be able to lie to the One true God of the universe.

When asked "Have you ever blasphemed (used God's name as a curse word) my Holy name?" (Revelations 21:8)

Only a fool would think he can hide the truth from God.

Now the next question falls upon you "Have you murdered anyone?" Most of us are safe on this one right? Jesus said (Matthew 5:21-22) "whoever hates his brother is subject to judgment."

When asked, "have you ever committed adultery remember Jesus said (Matthew 5:28) "I tell you the truth that anyone looks lustfully at a woman has already committed adultery with her in his HEART!"

So my friend, it is very important to examine your heart. If we are to be judged by these standards which the Bible tells us of we will all fail to hold these Holy and perfect laws, and will not be able to inherit the kingdom of God.

The Good News!

John 3:16-18

God does love us so very much being our creator and us being his creations that HE does not want us to spend eternity without Him so HE made a way for us he sent us a replacement "Jesus Christ" who lived a sinless life took our place on the cross and died once for all our sins, and on the third day he rose from his tomb conquering death and sin which we could not do.

Jesus said (John 3:3) "truly truly I say to you unless you be born again you cannot see the kingdom of God."We must be born not of flesh but of spirit,new creation in Christ. No longer desiring thing in the world seeking the kingdom of God(Romans 8:1-2)

When we realize that there is only one true Holy God and only one way to Him and that we have all broken His Holy commandments we see our instant need of payment for our sins. God is the perfect judge (Romans 8) tells us that God sent His son in likeness of an average man to make that payment for our transgression but if we try paying our debt by ourselves the price will be eternity in hell.

Please my friend don't let another minute go by thinking you will go to Heaven by doing good or being a good person for there is no such thing, Get right with God by repenting of (turning from) your sins to God and God alone for no man on this earth can forgive you only Christ Jesus and read your Bible and obey God's Word.
